

# FREE Move-In Day Airport Rideshare!

**\*\*Deadline to sign up: August 11th\*\***

The Associated Students of Pomona College (ASPC) is launching our Airport Rideshare system by providing domestic\* incoming first-year and transfer students free-of-charge transportation from LAX (Los Angeles International) and Ontario Airport to campus the evening before\*\* and morning of move-in day. ASPC is partnering with the Quest and IDEAS (Improving Dreams Equality Access and Success) mentor programs to welcome you to campus.

## // DETAILS AND ELIGIBILITY //

- For the launch of this program, we are prioritizing students from low-income, first-generation, DACA/undocumented, mixed (immigration) status family, and/or "non-traditional" family structure backgrounds. Please respect this and your future classmates' needs and experiences. Future airport rideshares will be open to all students.
- Due to vehicle space limitations, we can only offer rides to students traveling alone with a maximum of 2 suitcases and a personal item.
- This is a first come, first serve program -- you will be notified of your ride confirmation within a few days.

\*International Students have separate travel arrangements made by International Place.

\*\*If you are traveling to Claremont the evening before Move-In Day, ASPC is only responsible for providing transportation to campus. You are responsible for housing arrangements for the night whether it is on or off campus.

Any information you disclose to ASPC via this form will be handled confidentially and only disclosed with your permission.

\* Required

Name \*

Your answer

Student E-mail \*

Your answer

Student ID \*

This can be found on the [my.pomona.edu](http://my.pomona.edu) portal.

Your answer

Phone Number \*

Your answer

I'm flying into \*

- LAX (Los Angeles International Airport)
- Ontario Airport

What airline are you flying? \*

Your answer
