Dear members of the Scripps community,

[At today's Tuesday Noon Academy, Campus Safety responded to a call about a heated exchange between the speaker and a group of audience members, unaffiliated with The Claremont Colleges.](#) Some members of our community in attendance reported that these audience members' comments were anti-Muslim and anti-immigrant, which are in direct conflict with our shared values and principles of community. Scripps College condemns acts of bigotry or hatred, even when purportedly made in the name of intellectual freedom. Any member of our community targeted because of their race, religion, ancestry, age, national origin, disability, gender, sexual orientation, or immigration status may contact our Title IX office and make a complaint under Scripps College's harassment and discrimination policy.

We realize that there were students in attendance at this event. Support and resources for impacted Scripps students are available from the Dean of Students Office, located in Balch Hall.

Sincerely,

Charlotte Johnson

Vice President for Student Affairs and Dean of Students
